

# June 1 to 5

## Explore the Outdoors!

Monday	Tuesday	Wednesday	Thursday	Friday
<p>Create a <a href="#">nature sensory bin</a> with your family. Then take time to talk, draw and write about it.</p> <p>Estimate, then count, the number of steps to different spots in your neighbourhood. How close can you get with your estimate?</p> <p>Start a <a href="#">Nature Journal</a> to write and draw about your adventures outside.</p>	<p><a href="#">Read From Seed to Plant</a> in your Epic Mailbox.</p> <p>Draw and label how a seed becomes a plant. Tell someone in your family about it. Share your drawing with Mrs. Court.</p> <p>Can you <a href="#">sort items in nature</a> by size? By colour? By shape? Try it out! Send a photo to Mrs. Court.</p> <p>Add to your Nature Journal today!</p>	<p>Make a map of a special outdoor place in the neighbourhood, or a spot in nature that you like to visit. Share a photo with Mrs. Court!</p> <p><a href="#">Watch Dr. Binocs</a> and learn about the Parts of the Plant.</p> <p>Talk about your favourite plants. Why do you like them? What makes them special? Take a photo or video and share it with Mrs. Court.</p> <p>Add to your Nature Journal today!</p>	<p>Read <a href="#">What Do Bees Do In Summer?</a> in your Epic Mailbox.</p> <p>Watch <a href="#">Pollination: How Bees Make Fruit</a> in your Epic Mailbox.</p> <p><a href="#">Make a bee bath</a> to encourage bees to visit an outdoor space!</p> <p>Add to your Nature Journal today!</p>	<p><a href="#">Listen to The Night Gardener</a> and try out the activities that go with the story.</p> <p>Do you have some sidewalk chalk at home? Check out these <a href="#">great learning activities</a> you can do with sidewalk chalk!</p> <p>Add to your Nature Journal today!</p>
